Important Information

Some companies require the use of their own forms to initiate the switching of accounts. In order to help facilitate this change from your existing account to your new North Valley Bank account, we may ask you to provide your current banking information, including a previous bank statement and any forms supplied to you by your employer or party originating the debit or credit.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that allows us to identify you. We may also ask to see your driver's license or other identifying documents.
